

Fact Sheet on Singapore Sports Hub

The Singapore Sports Hub will be a fully integrated sports, entertainment and lifestyle hub for everyone in Singapore. It will be Singapore's premier land and water sports centre with integrated programming.

A unique cluster development of integrated world-class sports facilities within the city, it will play a critical role in accelerating the development of sports industry, excellence and participation.

Located on a 35ha site in Kallang, the Sports Hub will include the following facilities:

- A new 55,000-capacity National Stadium with a retractable roof;
- A 6,000-capacity (3,000 permanent seats with the option to go up to 6,000 with temporary seats) indoor Aquatic Centre that meets world tournament standards;
- A 3,000-capacity multi-purpose arena which will be scalable and flexible in layout;
- 41,000 sq m of commercial space
- A Water Sports Centre
- The existing 12,000-capacity Singapore Indoor Stadium; and
- Supporting leisure and commercial developments

With its world-class facilities, the Sports Hub will be the Centre for Singapore's elite athletes and high performance management as well as an ideal location for sports and entertainment events, sports administration, and sports and recreation businesses.

It will help to create a critical mass of international, regional and local sports federations and associations, sports medicine and sports science service providers, sports related training and education service providers, sports companies' sales and marketing headquarters, and retail outlets.

Located within the city, the Sports Hub is well connected to the Mass Rapid Transit network, major expressways and is only 15 minutes from the Singapore Changi International airport.

The Sports Hub is also located next to the Marina Bay area and is poised to ride on the wave of exciting developments at Marina Bay like the Marina Bay Sands Integrated Resort, Marina Barrage, Singapore Flyer and the floating platform at Marina Bay.

The Hub is the largest sports facilities infrastructure Public-Private-Partnership (PPP) project in the world. It is also Singapore's largest and flagship PPP project of this nature. The Singapore Government is looking forward to working with private sector partners to capitalise on its full potential.
