**Mr Nicholas Fang, Team Singapore Chef de Mission for the 28<sup>th</sup> SEA Games**, said, “The team draw results were in line with our expectations. The teams are aware that this is a competition on home ground, and there is excitement growing from the spectators and audience. The organisation of the Games has always been strong and we have been ready to host the Games.”

**Mr Ang Wei Neng, President, Volleyball Association of Singapore**, said, “As the Men’s Volleyball team has not competed since 1993, forming a men’s team to compete and qualify for the SEA Games is already a commendable achievement. “With our homeground advantage, we hope that there will be more support for our girls at the Water Polo sessions,” said **Choo Chin Cheng, Head Coach of the Women’s Water Polo team**.

**Aide Iskandar, Head Coach of the Men’s U23 Football team** said, “We are happy with the draw, and cannot underestimate any of our competitors. We are taking a one team at a time approach, and hope that with home support of our fans, they will inspire our players to perform better.”
